'Latourneau-Samson

Another wedding of interest with many good wishes from relatives and friends to follow these popular young people of the town. ReMona Letourneau, daughter of Mr. and Mrs. John Latourneau, and Norman Samson, son of James Samson, were united in marriage by the Rev. Fr. Therrien, Tuesday Oct. 25th.

The bride was attired in a dark blue tricotine traveling suit with hat of silver gray duvetine and carried bridal roses. The bridesmaid, Yvonne Dubois wore a dark blue suit. She carried white chrysanthemums. The groom was attended by Otto Cushion. The wedding party consisted also of the groom's father, Mr. Samson, and the bride's father, Mr. Latourneau.

The brides gift to her attendant was a pocket book and the groom presented the best man a fountain pen.

A sumptuous wedding dinner was served at the brides home to over twenty of the immediate family. The gifts were many and beautiful.

The bride is a graduate of the Presentation School of this town.

The happy couple took their departure on the noon train for Montreal and New York, to spend their honeymoon. After December 1st., they will be at home in the Clarke house on Railroad street.

Men Needed at Fort Fort Ethan Allen

To the Editor of the Essex County Herald:
Dear Sir:

We would appreciate it very much if you could give space to the following facts in your paper i. e.,

"That the 3rd Cavalry at Fort Ethan Allen, Vermont has been authorized by the War Department to resume recruiting. That about ninety men (90) are needed-men who can read write and speak English and are 120 lbs or over in weight and 5feet 4 inches or over in height and are citizens of good character.

Educational opportunities in the Army today are so highly developed that he is a wise young man indeed who takes advantage of the opportunities to receive an education or to learn a trade free and to receive moreover pay, food, lodging, medical attendance and clothes in addition.

This winter promises to be exceptionally interesting one for the soldier at Fort Ethan Allen as there will be brisk and continuous program of movies, dances, boxing and wrestling, football, basket ball and other sports.

Men wishing to join can apply directly to the Recruiting Officer at the Fort. Former soldiers are especially welcomed and are requested to bring their discharge certificates."

"Trusting that you can aid us in that by giving it space in your paper, I am

Very sincerely yours,

Malcolm Wheeler-Nicholson,
Major 3rd Cavalry,
Officer in charge of Recruiting.

Your Dollar's Opportunity

Your dollar's opportunity is now, today! Set it to work for you. Give it the task of multiplying itself. In doing so it will perform its part in the world affairs.

Every man's money should be making use of this opportunity. Farmers, for instance, can not only feed the world; through businesslike handling of their farms and businesslike handling of their incomes they can help to develop the world.

Thrift Is Patriotism

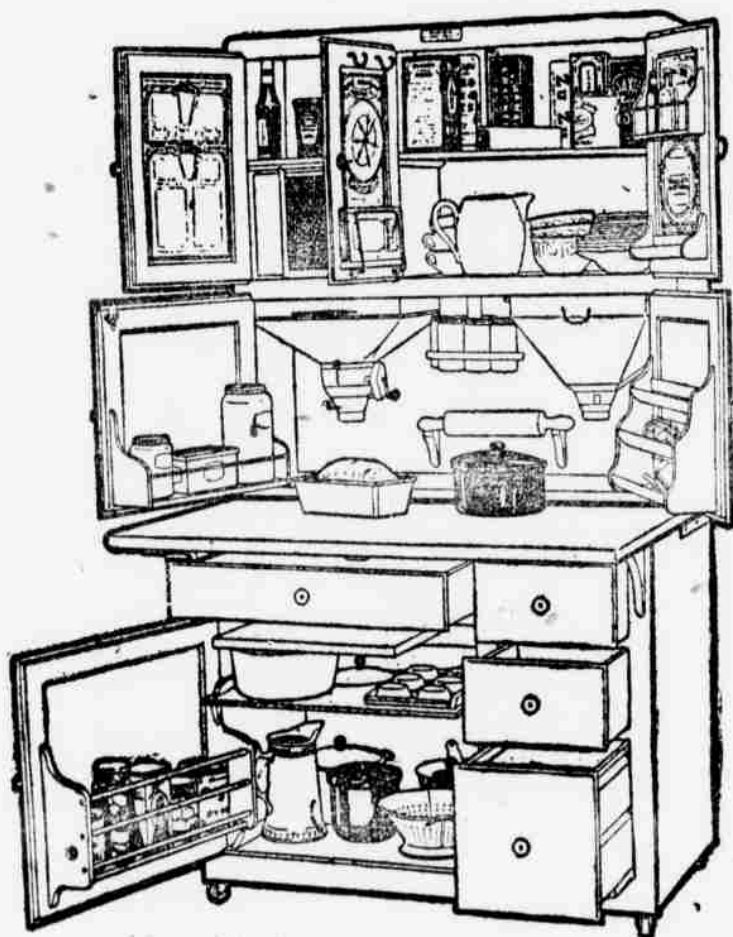

Saving is a form of serving. It is one of the biggest forms of national service—service to your country. Our first president said, "Economy makes happy homes and sound nations."

The way to start right is to start right now! Saving is as much a habit as spending or putting things off. Once formed, it is easy to continue. But unlike other habits, it is a good habit.

Greatly Reduced Prices on Discontinued Patterns in HOOSIER CABINETS

For many years HOOSIER Kitchen Cabinets have been sold at certain, stipulated prices, fixed by the factory. These prices have been remarkably low, and it has been impossible for any dealer to offer the HOOSIER at a discount.

But right now we are able to offer you the one opportunity of a lifetime—genuine HOOSIER Cabinets at greatly reduced prices.

This is because the factory has consented to a sale of such discontinued patterns and display models as are now on our hands.

The minute the last of our present supply of these particular models is exhausted regular prices will prevail.

Consequently, it will pay you to come in at once and make your selection.

With a HOOSIER in your home you will get through your kitchen work in half the usual time. And you will feel fresher and happier at the end of the day.

By all means, get your HOOSIER while this money-saving offer lasts. We can not prophesy how long it will take to close out all of these discontinued patterns at our present special reduced prices. But they are selling very rapidly. If you are wise you will not delay.

Note These Big Values-Cabinets that were \$60 are now \$45. \$65 ones now \$50.
